## Madison County To Be Third In State School Aid

Madison county, with \$4,599,413 to be received, will rank third among all Illinois counties in state school aid during 1961-62, it was announced today at Springfield.

George T. Wilkins, state superintendent of public instruction, estimates that state aid claims from the common school fund totaling \$168,704,259 will be paid to 1518 Illinois public school districts in this school year.

The estimate is \$12,300,968 or 7.87% more than the \$136,395,270 paid to 1559 districts in the 1960-61 year.

### Estimated Claims

Superintendent of public instruction estimated claims for any given school year based on attendance through the first month of a school term, September.

Half of the amount certified for each county is paid by the state auditor to the common school superintendents beginning in February, and the county officials distribute the monthly payments to districts. Payment on the adjusted amount will be made from August 1962 through January 1963.

Distribution is made from a record-bearing \$358,396,000 appropriated to the common school fund by the 72nd General Assembly. That figure was \$95,896,000 more than the \$262,500,000 earmarked for school aid by the 71st General Assembly.

The state uses an "equalization formula" which increased in 1959 from \$200 to \$225 per pupil.

### 15 Top \$23 Million

In the state aid distribution summary, Wilkins reported that 15 counties will continue to receive more than \$2,000,000.

Cook county leads with \$63,362,210, including \$38,472,556 in Chicago and \$24,889,654 outside Chicago. DuPage county is next in state aid with \$6,567,569, or \$108,096 more than the Madison county total.

Madison county shows a 10.12% increase over the previous biennium, topped only by Champaign, Christian, Douglas, Ford, Kane, Kankakee, Kendall, Lake, Mason, McHenry, McLean, Peoria, Rock Island, Sangamon, Schuyler, and Wabash counties.

## Master Plan

(Continued from Page 1)

haus avenue and the 2100 block of Iowa street, Washington avenue from 22nd to 24th street and a 38-to-63-inch line from 24th and Washington avenue.

The East Granite laterals would be along Bromley avenue, Hall, August, Kate and Henry streets and Ridgeway avenue, with extensions into Kirkpatrick Homes emptying into the ditch along the old TTR right-of-way.

The TTR ditch also would handle East Granite laterals along Kate and Henry streets, Short street, Nameoki road. The cross-town laterals in Granite City proper would be along 25th street from Center street to Washington avenue, with an extension to this line in the 2400 block of Center street.

The lines across 26th street and 27th street would extend from Center street to a trunk at Washington avenue and the 27th street line would handle drainage from lines in the Heintzville area along Michigan, Troy and St. James avenues. Also in the Heintzville area, another line serving the St. James avenue area would empty into the Fehling road drainage trunk.

The separation of sewage and storm water in the combined system is to be handled in the downtown area. Tri-City Park, Lincoln Place and West Granite through a system of interceptor sewers included in the overall plan. The sewage treatment plant is to be located near the city pumping station at the Granite City Engineer Depot.

### Dairy Farmers Meet

A joint meeting of the NFO and square deal milk producers will be held at 8 p.m. Wednesday in the Women's building of the Greenville fairgrounds park. Speakers will be Dale Schaefer, president of the NFO, and Gordon Schaffer, of Kingsville, Mo., who is the NFO's chief dairy negotiator. All area farmers are invited.

## General Steel Consolidated Net Income up 66% In 1961

Consolidated net income of General Steel Industries, Inc., increased 66% during 1961, to 74% gain in sales, Charles P. Whitehead, president, reported Thursday afternoon at the firm's annual meeting.

Consolidated net sales for 1961 amounted to \$84,992,752, compared with \$48,884,347 during 1960.

After provision for taxes, consolidated net income totaled \$9,202,240, against \$1,922,720 in the previous year. The 1961 earnings were equal to \$3.46 per share on 926,820 common shares outstanding at the year end, compared with \$2.10 per share on 916,750 common shares outstanding on Dec. 31, 1960.

The 1960 figures include results of the St. Louis Car operation only from the date of acquisition, June 28, 1960.

Last Dec. 31, the company's order backlog amounted to \$57,300,000. This compares with \$74,700,000 at the end of 1960.

### Increased RR Orders

Whitehead said that orders and inquiries for railroad products were beginning to show improvement as the 1961 year

closed. Reflecting general business conditions, sales of railroads and industrial castings during 1961 were lower than in 1960. Business in the National Railroad Equipment Association and steel rolls to the steel industry, held about the same level as the previous year.

Comparative sales and earnings of General Steel Industries, Inc. for 1961 and 1960 are as follows, with the 1961 figures listed first.

Consolidated net sales, \$84,992,752 and \$48,884,347; income before taxes, \$6,757,240 and \$3,632,720; provision for federal income taxes, \$3,555,000 and \$2,141,000; net income, \$3,202,240 and \$1,922,720; and earnings per common share, \$3.46 and \$2.10.

Common shares outstanding were 926,820 in 1961 compared to 916,750 in 1960.

Directors of General Steel Industries, Inc., declared a regular quarterly dividend of 40 cents per share on the common stock, it was announced by Charles P. Whitehead, president.

The dividend is payable March 30, to shareholders of record at the close of business March 16.

## Replacement of Terrace Lane Line To Start This Week

Construction is scheduled to start this week, weather permitting, on the \$38,630 levee district project for replacing the collapsed Terrace Lane sewer.

Contractor G. H. Sternberg said he had plans to start work for digging a test hole and to begin actual construction this week. "I had hoped to get started last week, but bad weather stopped us," he told the Press-Record.

Preparations for the job were completed last week by Shepard, Morgan & Schwab, project engineers, as Engineer Edward J. Nease went house-to-house advising property owners with trees and shrubs on the city easements that city street department workers would replace them at specified locations for the construction work. Larger trees will be cut down and replaced with smaller ones.

### 2100-Foot Replacement

The existing Terrace Lane 15-inch sewer line, originally installed about seven years ago by the levee district, began collapsing early last summer near Garfield avenue, and about 2700 feet is to be replaced. The replacement project also includes the line running in the easement north of Garfield avenue, west of Terrace lane, and extending north in the easement to the east of Kate drive from the Garfield avenue easement to Nameoki grade school.

Repairs to five breaks have cost the city close to \$200,000 before last repair work was halted and the decision made to replace the line, which presently is in quicksand at depths of 15 to 18 feet below the surface. For the past several months sewage has been pumped around the breaks through a line installed in the street.

### 3 Divorces Granted Here On Saturday

Three divorces were granted here Saturday before City Court Judge Fred P. Schuman, as the final decree a fourth also was submitted last week.

On the grounds of cruelty, Naomi C. Mize was granted a divorce from Charles A. Mize. The couple married April 23, 1959, and separated July 29, 1961. She was granted custody of two minor children.

Harold E. Perryman was granted a divorce from Judith D. Perryman on the grounds of desertion. They married Jan. 10, 1959, and separated July 29, 1961. The plaintiff was granted custody of one minor child.

Charging cruelty, Beulah Gage was divorced from Edwin Gage. No minor children were listed. Married Dec. 7, 1935, the couple separated last Sept. 25.

In a final decree filed last Wednesday, Beulah Ellsworth was granted a divorce from Robert Ellsworth. The plaintiff charged cruelty, and was granted the custody of three minor children. The couple married May 24, 1946, and separated last Nov. 3.

## Grain Elevator Study Planned By Bi-State Agency

An independent study on the economic feasibility of the Chain of Rocks canal grain elevator project, planned by the Bi-State Development Agency is expected to be undertaken this week, it was revealed at the agency's board of commissioners meeting Thursday.

Col. R. E. Smyser Jr., Bi-State executive director, said financial advisors have indicated such a study would be necessary for accurate sale of revenue bonds to finance the project. He said the study would take two to three months.

Similar surveys made at the outset by Bi-State and by the Illinois Grain Corp. of Chicago, which is to operate the elevator under a long term lease, proved to their satisfaction the feasibility of the proposed plan.

Under the project plan, Bi-State will finance construction of the huge facility by sale of revenue bonds, which are to be retired from profits of its operation. After construction, all costs are to be assumed by the Chicago grain firm.

### Bus Study On Schedule

In other action at the meeting, the board approved a report by the transit committee on progress of the survey of existing bus lines in the two-state metropolitan area. The survey, being conducted by W. T. Gilman & Co. of New York, is moving ahead on schedule, the committee reported.

Bi-State also agreed to assist committees from Harrisville, Ill., and Crystal City, Mo., who have raised funds to study the need for a Mississippi River bridge connecting these two areas. Bi-State participation will be limited to the study, and all costs will be borne by the two committees.

Following the meeting, held at the Bi-State office in St. Louis, board members attended the Missouri Athletic Club which they had arranged in honor of Preston Kappeler, St. Louis banker who resigned last September after two years on the Bi-State board. He had served one year as chairman.

C. M. Roos, Belleville, vice-chairman and acting chairman of the board, presented a report with an engraved plaque for outstanding service to the Bi-State Agency during his term of office.

No action was taken at Thursday's meeting on election of a new board chairman.

### Directors Re-Elected By Manufacturers

Nine members of the board of directors of the East Side Manufacturers' Association were re-elected at the group's annual meeting Thursday evening at the Missouri Athletic Club, St. Louis.

The officers elected were: President, A. A. Schweitzer; Vice President, and the firms they represent, are Nicholas R. Brink, A. Smith, George Paul A. Smith, Products Corp.; Lytle F. Guley, Granite City Steel Co.; John McBride, Union Star & Refining Co.; A. A. Schweitzer, Laclede Steel Co.; A. P. Stelnhauser, American Steel Foundries; and Thomas M. Stinson, Neco Steel Barrel Co.

### Will Undergo Eye Surgery

Mrs. R. C. Kleinschmidt, 22214 Edison avenue, will enter McMillan Hospital in St. Louis Tuesday preparatory to undergoing eye surgery Wednesday. She will be confined to the hospital for about ten days.

Included \$112,250 from bond and interest accounts, \$1,669,235 from the general fund, \$14,146 from special funds and \$498,201 from the bond and interest sinking fund.

Wages paid to local persons employed by the district and to local firms providing services were considerable.

Ernest A. Brown, superintendent of maintenance for Madison county, received a salary of \$4891. Ernest Eil, an unsuccessful candidate for trustee in 1960, received \$200 as an "inspector." Day, the board's chief clerk, was listed as an "assistant superintendent" of construction, and received in addition to his salary as clerk \$2545 in wages and travel expense.

## Route 151 Work To Start Soon Governor Credits C. Of C. With Aiding Road Program

Gov. Otto Kerner and the state's chief highway engineer, R. R. Bartelmeier, praised Tri-City Chamber of Commerce President Paul Lichtman and C. of C. members for their assistance in working out the state's highway program for 1962. They said work will be started "very soon" on new Federal Route 151 along the riverfront, designed to replace U. S. Highway 67a which now passes through the Quad-Cities.

Bartelmeier indicated steps are being taken now to start work on the new riverfront highway which will extend from the dual bridges across the Hartford drainage canal to Broadway in Venice.

"I assure you we will do everything in our power to move it along as quickly as possible, it went to thank you for your aid in planning the improvement," Bartelmeier said.

The state's 1962 program includes road improvements costing about \$120,000,000 in the Quad-Cities area.

Gov. Kerner said the state will cooperate with the local area in maintaining and improving its position.

The new riverfront roadway was designed to serve the \$30,000,000 harbor facilities planned for development by the Tri-City Regional Port Authority and to provide access to industrial sites in the vicinity of the harbor.

## Jacobsmeyer To Head Heart Fund Division

Oliver Jacobsmeyer of 2417 Madison avenue, assistant cashier and business development officer at the Granite City Trust & Savings Bank, has been named head of the business and industry division for the annual Heart Fund association drive here next month.

Jacobsmeyer's appointment was announced by Joseph Gottfried, Quad-City Heart Fund general chairman. The business and industry division head said heart disease is a constant threat to men and women in the productive years of their lives, people between the ages of 25 and 65 to whom local business leaders for its main source of manpower.

Jacobsmeyer is president of the Protestant Welfare Association, and a member of the local United Fund board of directors.

tonks, billboards, gas stations, junkyards, shops and homes.

"Some farmers faced new problems as subdivisions engulfed their farms. A few moved away with windfall profits from the sale of their land at high prices, but those who remained had higher taxes for public improvements and services than those who had sold."

Solution to the problems was found in zoning.

"As in colonial days," Solberg says, "the problems stem from unequal relationships in the use of neighboring tracts of land. In colonial days, however, the problems were obvious, and the corrective measures were simple. Today's problems are a complex mixture of fiscal matters, public services, the use and changing values of land, health, safety and attitudes."

**Once Of Prevention**

"Measures adopted in efforts to solve such problems should be preventive, rather than curative. They should prevent problems from arising."

"A community can choose the pattern of its growth. It can sit idly by and allow the development of a haphazard mixture of conflicting land uses, or it can guide growth in such a way as to prevent uses harmful to other landowners and to the community."

"It can forestall a mixture of factories, stores, junkyards and homes. It can allow the development of desirable residential districts and protect them with zoning regulations. It can ensure a safe separation of wells and septic tanks. It can enclose productive agricultural areas."

"Everyone plans, and each plan embraces problems, needs and goals."

**Best Of New, Old**

"Zoning plans suggest ways for obtaining new development, but try not to sacrifice what is valuable in the old," he notes.

In Madison county, emphasis has been placed on reserving productive areas for agriculture while at the same time looking ahead to a time when it may be necessary to convert some of the land to non-farm uses.

Basically, zoning is regarded as not something done to people. Rather, it is done by people, for the benefit of people. It minimizes such nuisances as noise, litter, fire hazard and traffic congestion.

In most areas, zoning receives support from all groups, from a full cross-section of individuals and interests. Even with such broad support, the concept requires guidance and direction of

## Sacred Heart Church Scene Of Malles-McIlvoy Nuptials

The wedding of Miss Sharon Darlene McIlvoy, a daughter of Mr. and Mrs. Willis McIlvoy, 2137 Cleveland blvd., and Walter Lee Malles, whose parents are Mr. and Mrs. Frank Malles sr. of Elmwood Park, Ill., took place Saturday morning at Sacred Heart Catholic Church. Bouquets of white gladioli, pom poms and fern provided the setting for the 9 o'clock nuptial Mass. Rev. William Wand officiated, using the double-ring service.

A program of wedding music was provided by Pete Gallis, soloist, and Mrs. Margaret Crawshaw, organist.

Mr. McIlvoy escorted his daughter to the altar and gave her in marriage. Her gown of peau satin had a molded bodice and a portrait neckline outlined in reembonished Alencon lace. The sleeves were long, tapering to points at the hands and the semi-bouffant skirt, which billowed from a basque waistline, fell in a straight line to the floor to the hem trimmed with lace. It swept back in unpressed pleats outlined at the hipline with black folds and ended in a cathedral train. A tiered veil of French illusion was caught to a queen's crown of pearls and auron horlaes crystals. Instead of the traditional bouquet, the bride carried a spray of white flowers, showered with stephanotis and satin ribbon.

Miss Janet McIlvoy, the bride's sister, was maid of honor, serving with two bridesmaids, Mrs. Susan Thompson and Mrs. Ann Gargac. Patty Kovar, a niece of the bride, flower girl, and Frank Malles, a nephew of the bridegroom, ring bearer.

All of the bride's attendants wore peau satin with olive green trimment.

## Miss Joyce Dunning Becomes Bride Of Stephen Dressler

The wedding of Miss Joyce Dunning and Stephen G. Dressler took place at 11 o'clock Saturday morning at St. Peter's Cathedral in Belleville with the Rev. William Renning performing the ceremony.

The bride's parents are Mr. and Mrs. Harry Dunning, 2822 Myrtle avenue, Mr. Dressler is a son of Mrs. Magdalene Dressler of Belleville.

Attendants for the bride were Miss Marion Marler, a cousin maid of honor, Miss Carolyn Sico and Miss Jo Ann Long, bridesmaids, all of St. Louis. Shirley Gaines of Edwardsville, another cousin of the bride, flower girl, and John Bell, ring bearer.

Joe Dressler served his brother as best man and Erik Parr and Wayne Myers were ushers. A trained gown of white lace trimmed with sequins was worn.

## Granite Chapter Honors Members

Granite Chapter 630, Order of Eastern Star, honored Grand chapter committee members in connection with a regular meeting of the lodge Friday evening.

## Home Bureau Studies Frauds, Home Inventories

The first meeting of 1962 for the Isabel Bevier unit of the Madison County Home Bureau was held Thursday evening in the home of the chairman, Mrs. Irene Daves, 17 Terrace lane.

Mrs. Daves conducted the meeting, and plans for a fund raising project were discussed. Definite plans will be completed for the project at the next meeting. The annual birthday dinner, which is held every March, was discussed and the menu was decided upon.

The home advisor from Edwardsville, Mrs. Elaine Wendler, was unable to attend the meeting and Mrs. Myrtle Hickman, local leader, gave the February lesson on "Health Foods and Frauds."

Mrs. Hickman spoke on the quacks and false cancer and arthritis cures, and said millions of dollars are spent by Americans each year on various diets and foods, worthless pills and mechanical gadgets. She said unreliable practices can be recognized by the demand for fees in advance, secret formulas and treatments, refusing to consult with the medical profession and exaggerated claims.

The opposite is true if one consults with known medical doctors or checks with local health agencies, Better Business Bureaus and scientific and professional organizations.

The minor lesson, "Home Inventories," was given by Mrs. John Steinhilber, who explained the necessity for inventories in case of fire or theft.

The bride wore a white wool sheath dress with a matching jacket, a small hat of white flowers and veiling and carried a white orchid on a Bible.

The attendants were Mrs. Mrs. Floyd Mercer Jr. of this city, a brother-in-law and sister of the bride, two ushers, Robert Chapman, the bride's brother, and George Bugle Jr., seated the guests.

Mrs. Mercer was attired in a red wool sheath with a red velvet and veiling hat. She carried a bouquet of white pom poms.

The bride's mother selected a two-piece light blue boucle dress, a flowered hat in the same shade and a corsage of white roses. The bridegroom's parents were unable to attend the ceremony.

A reception was held at the church after the wedding. The newlyweds will reside in Amarillo, Tex., where the bridegroom, a second lieutenant in the U.S. Air Force, is stationed. A graduate of Michigan Institute of Technology, he has been doing graduate work at the University of Illinois.

The former Miss Chapman, a graduate of the Granite City high school and a Millikin University in Decatur, has been teaching English for the past three and one-half years in Oakland, Calif.

Fifty-six participated with instrumental numbers, baton exercises, vocal selections, monologues, acrobatic and tap dances and the "twist." There was also a mixed chorus.

Barbara Wood served as mistress of ceremonies for the event.

Others present were Mrs. Mary Ellen Steinhilber, Charlotte Atkinson, Phyllis McCoy, Nancy Segedy, Carol Kuenker, Dottie Gavin, Marilyn O'Dell, Linda Trachsel, Gayle Buske and Carlene Butler.

Mrs. Rosalie Buente, Illinois state president, gave the address of welcome, and Mrs. Millie Clements, state corresponding secretary, both members of the local chapter, spoke on the history of Epistol Sigma Alpha.

Other state officers attending were Mrs. Carolyn Cox of Canton, and Mrs. Leona Branch of Alton. Southern District coordinator.

Sorority members present included 15 members of a sister chapter here, Beta Phi, and Mrs. Emma Bean, president of Alpha Psi Chapter in Alton.

The meeting was held from two to four o'clock and the table, presided over by Mrs. Joyce Willmore and Mrs. Carol Grove, held a centerpiece of chrysanthemums in the sorority colors, yellow and blue, flanked at either side with yellow candles and silver candelabra and the silver coffee and tea services.

Mrs. Judy Hintner, president of the hostess group, served as mistress of ceremonies and Mrs. Marilyn Price sang two solos, accompanied by Mrs. Clara Judd. Prizes for the afternoon went to Mrs. Roberta Arreiter and Mrs. Joyce Albers.

## 140 Present For Women Of Moose Conference Here

The local chapter of the Women of the Moose 247 was host to chapters from Wood River, Alton, Jerseyville, Belleville, and Edwardsville at a mid-winter conference here Sunday. Approximately 140 co-workers attended.

Twenty-one members of the College of Regents were present, three of whom were invested with the red stole, signifying four years service in the College, and they were Margaret Frommberger of the Granite City chapter, Elizabeth Kramer of Wood River and Frances Farmer of Jerseyville. Three candidates also were enrolled, two local women and one from Edwardsville.

A buffet supper was served after the meeting and plans were announced for the 1963 conference in Edwardsville.

## Miss Chapman, David Ewing Wed Saturday At Oakland

An out-of-town wedding of interest here was that Saturday afternoon in Oakland, Ill., of Miss Mary Louise Chapman, a daughter of Mr. and Mrs. Charles Chapman, 4856 Warnock avenue, and David Ewing Ewing, a son of Mr. and Mrs. Leland Ewing of Moline, Mich.

The ceremony was performed at three o'clock in the Presbyterian church by the Rev. Cecil Allen in a setting of white flowers, palms and candlelight.

The bride wore a white wool sheath dress with a matching jacket, a small hat of white flowers and veiling and carried a white orchid on a Bible.

The attendants were Mrs. Mrs. Floyd Mercer Jr. of this city, a brother-in-law and sister of the bride, two ushers, Robert Chapman, the bride's brother, and George Bugle Jr., seated the guests.

## Miss Judith Susan Cachick And James T. Daniel Wed

Sacred Heart Catholic Church was the setting Saturday morning for the wedding of Miss Judith Susan Cachick, a daughter of Mr. and Mrs. Stanley F. Cachick, 3209 Colgate place, and James T. Daniel, a son of D. Francis Daniel, 3214 Colgate place, and the late Mrs. Mildred Daniel.

The ceremony was performed by Rev. John Barrett at 11 o'clock Mass, and the wedding breakfast for the bride party and the families was held directly afterward at The Stouffer-Bord. Friends of the couple were invited to a reception in the evening at the Knights of Columbus Hall in East St. Louis.

Bouquets of white chrysanthemums, poinsettias and gladioli decorated the church altar and white satin bows marked the family pews.

Mrs. Margaret Crawshaw presided at the organ and accompanied the soloist, Miss June Nightingale.

The bride was escorted down the white-carpeted aisle by her father who gave her in marriage. She wore a white gown of white tulle and a cascade of Alencon lace extended from the rounded neckline in the front to the hem of the skirt which ended in a train. Traditional long close fitting sleeves tapered to points at the hands. A butterfly veil of tulle was held in place with a large satin rose and the bride carried a cascade bouquet of white orchids and stephanotis.

A maid of honor, Miss Margaret Noma, cousin of the bride, and bridesmaids, Miss Donna Miller and Miss Christine Daugherty, cousins of the bride, and two former classmates at St. Theresa's Academy in East St. Louis, Miss Beverly Wozniak and Miss Kay Leobenstein, were dressed in gowns styled with fitted velvet bodices and floor length, bell-shaped skirts of satin. The honor maid was in emerald green with a bouquet of red roses. The bridesmaids wore white and red cascades of white roses and stephanotis. All complemented their gowns with small hats of matching fabric and veiling.

A little flower girl, Sherry Marcum, cousin of the bridegroom, was in emerald green, her dress a copy of that of the maid of honor, carrying a small bouquet of red roses. Edward Kowalsky, another cousin of the bride, was ring bearer.

For her daughter's wedding, Mrs. Cachick selected a dress of jade green and tulle, a flowered hat and a corsage of green cymidium orchids. Mrs. Joanne Patterson, the bridegroom's sister, wore light blue silk organza and a matching hat. Her flowers were white orchids.

David Daniel was best man for his brother and groomsmen, and ushers included Patrick and James Doyle, cousins of the groom. Andrew Porotti, the groom, was escorted by Nick Mullen, Richard Houston, Thomas Williams, Charles Briedge, a cousin of the groom, Richard Houston and Gerald Patterson, the latter the bridegroom's brother-in-law.

The newlyweds will reside at 2310 Grand avenue. Mr. Daniel was graduated from Southern Illinois University at Carbondale in Alton and is working toward a master degree in Illinois.

Miss Mary Sue Laswell and Chas. A. Connor Wed Friday

Miss Mary Sue Laswell, daughter of Eugene Laswell, 2717 Roosevelt avenue, became Mrs. Charles A. Connor in an evening ceremony taking place Friday at 7 o'clock at Bethel Chapel with Rev. Ralph Cook, pastor, officiating.

Bouquets of white flowers and greenery decorated the church and preceding the service Miss Diana Thuis sang "Wedding Prayer," "Through The Years" and "I Love You Truly," accompanied at the organ by Mr. Phyllis Crews.

Mr. Laswell gave his daughter in marriage. A gown of white tulle and Chantilly lace was worn by the bride. The fitted bodice of lace had long sleeves and a scalloped, Sabrina neckline outlined with seed pearls. The skirt, which fell gracefully in unpressed pleats, featured inserts of lace and pearls and ended in a train. A hand-rolled, scalloped veil was attached to a crown of pearls and the cascade bridal bouquet was made up of white carnations and poinsettias and centered with a detachable corsage.

Mrs. Kathryn Tripp was matron of honor and Mrs. Arline Brimm served as bridesmaid. They were dressed alike in street-length princess dresses of peacock blue. The bodices of the brides had scalloped necklines and three-quarter length lines and double-strapped length lines and three-quarter length lines.

THE TRI-CITIES' MOST CONVENIENT PLACE TO BANK

Member F. D. I. C.

The following items were taken from the files of the Granite City Press-Record.

Feb. 11, 1937.

To a neighboring city, Nameoki, goes the honor of having within its midst a professional short wave amateur broadcast station, W9-TTH, whose operator, James H. Adams, manager of a large store in Granite City, organized the broadcasting chain hookup of amateur stations that has performed such stevedore work for the past 10 days in restoring communications with isolated districts in the flood regions of southern Illinois.

A committee from the Madison County Board of Supervisors, headed by William Kaiser, of Granite City, is seeking to enlist the cooperation of the mayor of Granite City, Madison, Venice and Nameoki in a joint petition to the East Side Levee Board, asking that organization to request a survey of the levee situation in this district by the Army Engineers.

The local Red Cross chapter has forwarded approximately \$300 for flood relief work, was learned today from P. M. Davidson, chairman. This is the unit's quota of \$1325, and there are enough prospective contributors to triple the goal, he stated.

Sixteen people in Granite City died of pneumonia during January, according to the records of City Inspector Julian Betrix. He also reported 24 new cases.

Influenza was responsible for two deaths, tuberculosis caused one death, and there were 15 others from various causes, totaling a total of 34 deaths for the month.

Eight new candidates were inducted into the local lodge of Eagles last Saturday evening at a meeting called for that purpose. Following the completion of the initiatory work, the lodge adjourned in order to permit those who desired to attend the President's Ball.

Taking an early lead in both games, the Haggis Warriors football team trounced Madison 32-21 in a conference game Friday night, and then took the measure of Staunton high school the following night, 35-25. This was a non-conference tilt.

Vern Purvies, of the Warriors' Janky center, was the spearhead of their attack in Friday's game, collecting 15 points by kicking the VanBuskirk, guard, broke up Madison's offensive drives time and again, which placed the team in the Granite City victory. Purvies scored 19 points against Staunton.

Berninger's Trojan cagers suffered another decisive conference defeat last Thursday evening when the conference-leading Wood River Oilers came to town and left with a victory at the expense of the hometown boys.

Scoring 13 points in the last quarter, the Venice high school cagers broke a 20-20 tie with Wood River from Irondele, Mo., 33-26 Friday night at Irondele for their 13th victory in 14 games this season.

A benefit performance for flood victims will be given by members of the advanced speech department of Community high school Feb. 11, it was announced today by Miss Mary Blackburn, head of the department.

The class has been working on the program for two months, she said, and decided after the catastrophe to collect a free will offering from the audience. There will be no other admission charge.

The Silver Crest Girls met at the home of Miss Irene Kiah in Madison Friday evening. After the regular business hour, games were played, with prizes going to Misses Dina Belleoff and Sophia and Mary Kiecoff.

At a late hour, delightful refreshments were served to the following girls: Misses Mary Stoyanoff, Dina and Sylvia Belleoff, Ethel Stolaroff, Penka Bartzoff, Mary and Sylvia Theodoroff, George and Linda Theodoroff, and Mary and Sophia Kiecoff and the hostess.

Supt. Paul A. Grigsby, of Community high school, presided at the president of the Northwestern Illinois Schoolmasters' club which was permitted to organize at a meeting in the Collinsville high school Saturday. Approximately 50 educators from this district were present.

Among the many organizations in this community working wholeheartedly to raise funds for relief of flood sufferers is the Bethel Chapel, located on Third street and Dewey avenue, of which Rev. Ralph Cook is pastor.

At a meeting of the congregation last night, \$500 was pledged to be raised by March 1, and more than \$200 was secured from those present.

Testifying that he was married as a joke and never lived together, a man was granted an annulment from his bride last Friday by City Judge R. W. Griffith.

The records show they were married May 27, 1935. The bride, who is a student at the University of Illinois, described the ceremony as a "prank" to which he and his bride agreed before the ceremony. Her maiden name was restored.

## Write-In Campaigns Needed To

Provide Choices In November

Lack of Republican filings for eight county

and district nominations, as well as 15 precinct

positions, is unfortunate for Madison countyans—Dem-

ocrats and Republicans alike. Perhaps some sem-

blance of competition can be restored through

write-in campaigns in April.

The need for November G.O. candidates is

heightened by the absence of primary opposition for

some of the Democratic nominees. At the precinct

level, the situation differs—there are many Re-

publican contests but most of the Democratic slate

is unopposed.

Just as the two-party system is vital, primary

contests must develop if voters are to have a full

choice. This is especially true in areas where one

or the other party is on the wane.

Republicans, once dominant in Madison county,

have had little success in recent years, leading to

reduced interest in the nominations and subsequent

to still further reduced public support. We cannot

blame potential candidates for becoming dis-

couraged, but we think they are passing up oppor-

tunities.

Voters are more and more prone to cross

party lines when there is an overriding issue or a

sharp conflict of interests. The voters will be light-

ning and will not strike, even in Illinois and in

1962.

## Service, Savings Charted For 1962

At Retail Stores In Quad-Cities

A solid framework for progress in 1962 has

been planned by Quad-City retailers, who will

concentrate on providing service with a capital "S."

Their goal is even greater customer satisfaction

than the high level of the past.

The course charted at the Associated Retail-

ers' annual membership meeting includes personal

attention to individuals' needs, rather than sales

for sales' sake; free delivery; equal or

superior service; liberal policies on will call, re-

turns and returns; convenient hours; more off-

street parking; continued remodeling of stores and

storefronts; and more frequent special sales with

fresh ideas.

Combining experienced leadership with fresh

ideas, the retail association is encouraging con-

stant improvement in all aspects of merchandis-

ing. It should be an exciting year for families shop-

ping in the Quad-Cities, where service, satisfaction

and savings are more than just slogans.

Citizens, Businesses Affected

By Lack Of Drainage, Zoning

It has been well established that drainage and

zoning action which would be in the average citizen's

best interest. The business community also has much at stake,

and we are glad to see that the Chamber of Com-

merce is joining in the support of these proposals.

As President Lichtenegger points out in the

latest Chamber bulletin, "Madison county cannot

hope to attain the maximum of its potential develop-

ment without the proper zoning of its unincor-

porated areas. And Granite City is no exception.

# Madison Coasts Past Cahokia For 16th Straight

## Trojans Near MWC Crown In 84-40 Win

Coach Earl McClean's Madison Trojans all but clinched their second straight Midwest Conference crown Friday night by slaughtering Cahokia's Comanches, 84-40. The win was the Big Green's 16th undefeated season and 18th straight in conference circles.

Only Cahokia has an outside chance of stopping the high-ranking Trojans and, after Friday night's performance, Coach Earl Lee's Comanches don't seem to pose much of a threat.

Madison is 7-0 in the conference and Cahokia with two losses, has the second best record. The Trojans host Cahokia Feb. 20 and journey to Rock Island and Highland to round out this year's MWC schedule. McClean's squad also will face the Comanches 73-43 in the title game of the O'Fallon holiday tournament.

At Jerseyville Tomorrow The Trojans play at Jerseyville tomorrow night. The game will be a warmup contest for Saturday night's Collinsville tilt at Madison.

Five players hit double figures for Madison at Cahokia as the Trojans continued to roll along with ease. It was the eleventh straight game in which four or more players hit in double figures. And it was the seventh consecutive game in which the Trojans tallied 80 or more points.

"Freeman, Freeman, Freeman." That's what a dazed Cahokia Coach Lee said after Friday night's game. He was referring to Madison's Don "The Ed" Freeman, who scored 27 points against his Comanches. Earning every one of his 27 points, Freeman led both teams in assists as he hit his teammates under the bucket with timely passes that appeared to be the start of jump shots.

No Field Goals McClean expressed delight at the passing game and agreed that the passing was good. He pointed out that his boys kept Cahokia from scoring a field goal in the third quarter. The Comanches managed a mere three free throws in the eight-minute period.

The second half was 10 minutes and five seconds off before Cahokia's Leary Lantz dropped in the team's first field goal. By that time Madison had built up a 71-34 lead. The Trojans had a slim 20-16 first-period lead but widened the spread to 44-29 at the half.

Trojan Scoring Joining Freeman in double figures were Bob Hayes with 14 (all in the first half), Mick "Hawk" Greenville 12, Ken Griggs 10, Andrews 11 and Ken Griggs 10. Andrews had cut out the Dupo game with an injured ankle but returned Friday night and played three quarters before giving way to the reserves.

Other Trojan scoring: Chuck Venarsky 4, Charlie Jones 3, Calvin Jackson 2 and Ed Petty 1. Lantz led the Comanches with 12 markers. Cahokia's leading scorer: Burton Bruce 9, Jim Thomas 5, Dan Mathison 4, Bill Schmidt 3, Bob Gentry 2, Kenny McBride 2, Ronnie Skaggs 2 and Mel Acott 1.

In the preliminary game, Coach Bob Page's junior varsity team came from behind to defeat the hosts 63-58. The victory boosted the Trojan javayee mark to 7-3.

Cecil Bell and Gary Skinner led the winners with 20 points apiece, and Lonnie Brown added 11.

## PRESS-RECORDS

### Venice Goes Cold in Second Half; Drops 65-56 Decision To Wesclin in MCM Contest

Venice high school roared to a 24-16 first-quarter lead, but scored just 32 points in the remaining three periods at Trenton Friday night as the Red Devils were beaten in a Madison-Clinton-Macopin counties conference basketball game by Wesclin, 65-56.

"We just didn't get off enough shots against their zone defense," remarked Venice Coach Bill Ohlenford concerning the second half of play. Venice led 36-30 at halftime and 48-47 after three quarters, but was outscored 18-8 in the final eight minutes.

The Devils shot 48 percent from the floor, with the game's deciding bulge in free throws. Venice got just 15 opportunities from the line.

Two New Starters Two new starters appeared in the lineup for Venice, 6-3 Bill Black and 6-3 Rick Rousseau, who were not out for the team during the first semester. Between them, the gathered 12 points and helped in the rebounding department, where Wesclin held the slim edge of two grabs.

"Neither boy is in shape at this point—they seemed to run out of gas in the last quarter," Ohlenford said. "But they should help us when they come around."

Don Devany, the MCM's leading scorer, assured himself of remaining in that position as he led all scorers with 27 points. But the Warriors placed four players in double figures, with brothers Ralph and Bob Johnson scoring 16. Bob Johnson was the real thorn in Ohlenford's side, as the 5-6 guard hit seven shots from outcourt.

Jayvese Nov 8-2 Venice's junior varsity raised its season's mark to 8-2 in the preliminary game, winning 45-36 as Dan Moad tallied 14 points. The winners had trailed 14-19 at halftime.

The Venice varsity, now 1-5 in conference play and 3-11 overall, faces a tougher contest on Tuesday night. The Devils are host to loop leader Worden, which the Warriors defeated Friday's only other MCM game, 107-66.

The varsity scoring: Venice—Don Devany 27, Jerry Cleio 13, Bill Black 8, Rick Rousseau 4, Pete Fields 2, Jack Fields 2, Paul Sitton 0, Jim Eberhardt 0, Jim Hermann 0, Wesclin—Ralph Johnson 16, Bob Johnson 16, Wherle 12, Brede 12, Krausz 8.

Wesclin's varsity scored 14 points in the first quarter, but the Warriors held the slim edge of two grabs.

Present board members introduced by Morris were Homer Johnson, financial vice-president; James Spinks, operations chairman; Andrew Gitchoff, treasurer; Bob Graf, assistant treasurer; and the following: Russell, chairman of the nominating committee; Mrs. Vyvonne Durbin, secretary; Lester Thompson and Jerry Sizemore.

Johnson and Gitchoff presented financial reports for the past year and briefly explained them. Morris gave a resume of the year's activities and accomplishments and his recommendations for betterment of the pool in the coming years. He reported the installation of the rate of water consumption and said the pool cover will save money, chemicals and time.

Spinks reported on installation of a two-meter diving board and painting the pool deck. He also reported on the painting of the pool itself.

A membership report prepared by Mrs. Donna Hogan, membership chairman, was given by Mrs. Durbin.

Section of directors for the next two years was held. At the board meeting in February, these new directors and the remaining directors from last year who still have one year to serve, will select officers for 1962.

## 1st Assembly Nips 2nd Baptist, 80-73; Trinity Posts Win

First Assembly came from behind Thursday night in a battle of the unbaptized to defeat Second Baptist 80-73 in a parish district's Church League play at Coolidge junior high school. In the other contest, Trinity Tabernacle whipped Nameoki Methodist, 92-70.

The win was First Assembly's sixth in a row while the loss was Second Baptist's first in seven outings. Game scoring honors went to First Assembly's John Draper, who netted 25 points. Frank Holmes and Bernie Crookwell added 18 and 15 markers for the winners.

Tom Finn was high for the losers with 22. Four starters fouled out for Second Baptist, but George Sykes and Dewey Melton tossed in 17 and 15 points before leaving the game. Norm Grote also added 11 markers for the losers.

Second Baptist and First Assembly will meet again Thursday night at 7 p.m. in the Coolidge junior high school gymnasium.

In the first game Thursday night, both teams shooting well, Trinity steadily pulled ahead of Nameoki, Carl Main led the winners with 32 points and received help from Bill Birtley and Jim Scherrills, who contributed 24 and 20 points, respectively.

Playing its finest game of the season, Nameoki was paced by Don Hornberger with 26 points. The Church League standings:

## 'Senior Citizen' Picked Up Paint Brush—At Age of 72

"I knew I had drawing ability when I was a much younger man," said 76-year-old J. M. Davis of Granite City, "but at the time I had a living to make—had to wait until I retired to devote any time to it."

Mr. Davis, who resides at 2201 Kirkpatrick Homes, had just presented YMCA General Secretary C. A. "Bud" MacMillan with a very good likeness of MacMillan, done in oils during the "Senior Citizens" program art sessions at the YMCA, which Mr. Davis attends.

Davis is one of many retired and semi-retired persons of advancing age who are participating in a program of creative activities set up especially for them at the YMCA by Senior Citizens, a non-profit organization which hopes to defray the cost of its operation through the sale of art and handicraft creations by its members.

**No Formal Instruction**  
Davis' story is typical of the 25 persons who are members of the Senior Citizens. He retired in 1935 at the age of 70, and took up portrait painting as a hobby two years later. He received no formal instruction, but the results of his efforts in painting the YMCA's general secretary show that self-taught methods sometimes are successful.

Mr. Davis and other members of the art and handicraft classes are now getting supervised help as well. Mrs. Edith Maxville is in charge of the art class, which meets every Thursday at 11 a.m. in the YMCA.

A former coal dealer here, Mr. Davis was born near Cave-In-Rock, Ill., but has lived in this

area since 1911 and in Granite City for the past 25 years. Biggest help given him by the Senior Citizens program, he says, is the furnishing of oil paints and materials, which he probably could not afford if such things had to be purchased out of the small monthly pension he receives.

MacMillan, who received his portrait as a surprise, commented: "Hmmm, seems as though we've got a 'Grandpa Moses' with us."

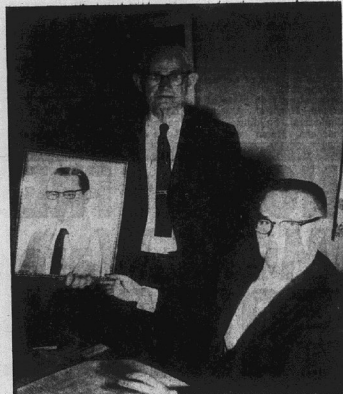

Still active, and very much enthused with his own efforts, Mr. Davis said he hopes some small painting "commissions" will be forthcoming from his efforts.

**Other Activities**  
While the 76-year-old artist continues his work in oils, other members of the Senior Citizens group are active in other areas, including quilt-making, embroidery, mosaic tile, ceramics and toymaking. The group was recently presented with its own film, donated by a local industry, to be used in baking ceramic creations.

Members of the program hope to open a "hobby shop" at the YMCA, where their handwork will be displayed for sale.

Mrs. Frieda O'Duinn, one of the originators of the idea for the program, said any person of 50 or over is welcome to join Senior Citizens, and that additional information on all phases of the program is available at the YMCA.

"Anyone who feels he has a talent is invited—we would like them to share it with us; we'll share our talents with them," she added.

Portrait painter at age 76, J. M. Davis of 2201 Kirkpatrick Homes presents his latest creation to C. A. "Bud" MacMillan, general secretary of the local YMCA, where Mr. Davis is a member of the "Senior Citizens" art program. The oil painting of MacMillan was done from a photograph, and presented to him as a surprise Thursday afternoon.

## \$13,650 County Sales Taxes On October Liability

The Illinois Department of Revenue has certified \$13,650 in county sales tax receipts for forwarding to Madison county on October 1961 tax liability. It was announced today.

This increases the 1961 total for the first ten months to \$120,845. Since the highest tax became effective in local unincorporated areas on Oct. 1, 1959, total revenue derived from it by the Madison county treasury is \$297,017.

Payments on October liability will go to 62 counties. Madison county's total being topped by DuPage's \$49,342, Cook's \$42,832, Peoria's \$20,907 and Will's \$14,665.

County sales taxes for the period grossed \$324,136 throughout the state. The 4% administrative costs amounted to \$12,916, and \$125 was protested and withheld, leaving \$309,985 to be sent to the counties.

Sixty-five Illinois counties have now adopted the county retailers' occupation tax and 49 collect the county service occupation tax.

## Amvets Scholarship Applications Sought

College scholarships have been made available by Amvets to high school seniors who are sons and daughters of deceased or totally disabled veterans of world war II or the Korean conflict.

The American Veterans of World War II and Korea annually award scholarships ranging in value from \$500 to \$2000 to be used for undergraduate study at any accredited college of the winner's choice for a period of four years.

Eligible seniors may obtain application blanks by contacting Stephen Hordesky, Commander Amvets Post 187, 2840 State Street, or by writing Amvets Scholarship Program, Post Office Box 6038, Mid-City Station, Washington, D. C.

All scholarship applications must be filled out and returned to Amvets on or before March 1.

Commander Hordesky said the scholarships are awarded by the national organization through grants from the National Service Foundation.

Winners, he explained, will be selected on the basis of financial need and high school records. The amount of each scholarship will be determined according to the winner's needs, he added. The applications will be evaluated by the National Association of Secondary School Principals, a department of the National Education Association.

This is the 11th consecutive year that Amvets scholarships will be awarded and since their incorporation more than \$120,000 has been awarded in scholarships and fellowships. Former Amvets scholarship winners also are eligible for fellowship grants to continue their graduate studies.

## Noonday Optimists Hear Rev. Robert Baumann

Rev. Robert Baumann, pastor of St. Peter Evangelical & Reformed Church, was guest speaker at the Thursday meeting of the Noonday Optimist Club, attended by 40 members.

The program featured a family service film entitled "Buyer's Choice" which illustrated how Christian ethics are related to family choice in the home, the neighborhood and with associates.

Rev. Baumann outlined to the Optimists the National Council of Churches program designed to aid in local family planning.

Claude Cochran was program chairman.

## Dinner, Training Planned By Area Council of PTAs

Plans were made for a leadership training course in March and April and the annual appreciation and recognition luncheon March 1 at the Granite City Area Council of Parents and Teachers held its first meeting of 1962 Thursday evening at Wilson grade school.

Mrs. Kathleen Tadlock, president, welcomed the members and led the planning session. Mrs. Gladys Diak of Logan, Mrs. Doris Buer of McKinley, Mrs. Lucille Caban of Lake and Mrs. Colleen Eganoff of Prather school were named to a nominating committee which will report at the April meeting. New PTA council members are to be elected then.

Mrs. Mary Jessie, legislation chairman, reported on legislation sent to the state convention to be held in Springfield April 10-12.

Joseph Pulach, Madison county coordinator of school guidance services, spoke on school dropouts and showed a film on the subject. He said one out of three, or 900,000 this year will drop out throughout the nation. The problem grows larger every year and would be even worse if there were more job opportunities, he said.

Pulach said that most are behind in reading and arithmetic sometimes two years behind, and usually do not participate in extracurricular activities and have failed in one or more grades in elementary school. The public is becoming more aware of seriousness of the problem because of the technology of the modern world; delinquency is ten times higher among dropouts, he told the group.

The film stressed that trying to get a job without at least a high school education is like trying to get into a strange world without a passport. Those who do manage to get jobs often are the first to be laid off when work is slack, it was asserted.

Pulach said there will be a county-wide study workshop this summer to seek reasons for drop-outs and the extent in each locality. Known factors include lack of remedial reading classes and lack of elementary grade counselors.

He said the film is available to other PTAs and civic groups by writing to Wilbur Trimble, Madison county superintendent of schools in Edwardsville. Refreshments were served by Wilson PTA members. The March 22 meeting will be held at Prather Junior high school.

## Miss Vivod Is Guest Of Honor At Shower

Miss Constance Vivod, who will be married March 3 to Robert Koch, was guest of honor Sunday afternoon at an attractively appointed miscellaneous shower given at the Pollak Hall in Madison by Mrs. Barbara Diak and her daughters, Mrs. Ilene Niemczyk, Mrs. Marion Avedisian and Miss Evelyn Diak, the latter of Phoenix, Ariz. Approximately 70 were present.

The tables were decorated with a profusion of pink carnations and white wedding bells and suspended over the gift table was an umbrella of scintillated lace entwined with ribbons to which was attached a miniature bride's bouquet of pink and white flowers, the whole the work of Mrs. Agnes Onosky, a friend of the bride-to-be.

Favors were small wedding bands in ring boxes, and the bride's mother, Dr. Felicia Koch, mother of the prospective bridegroom and his grandmother, Mrs. Hugo Brenneman, were presented with corsages.

## Keuhnel-Fields Nuptials Friday

Miss Joyce Fields, a daughter of James Fields, 1108 Kirkpatrick Homes, and Mrs. Ruth McCracken of Eureka, Mo., was married to Julius Keuhnel Jr. Friday evening at the home of the bridegroom's parents, 2036 Madison avenue.

Rev. Austin Fisher, pastor of the Bethesda Baptist Church, officiated at the 7:30 service; and attendants were Mrs. Maxine Gerlach and Gene Keuhnel, a sister and brother of the bridegroom.

The former Miss Fields wore a white tulle and lace bridal gown and the bridesmaids were in light blue.

The newlyweds are residing at 2222 State street. Mr. Keuhnel is employed at the Tri-City Grocery, Belmore store.

MRS. ROGERS BASARICH, the former Sally Stewart, a daughter of Mr. and Mrs. Harold Stewart, 2201 Lynch avenue, who was married Saturday evening at the Nameoki Presbyterian Church.

## Double-Ring Ceremony For Basarich-Stewart Nuptials

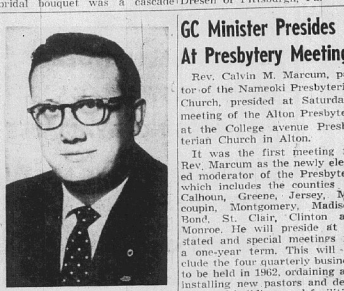

Miss Sally Stewart and Rogers Basarich were married Saturday evening at the Nameoki Presbyterian Church.

Rev. Calvin Marcum heard the vows of the couple at 8 o'clock, using the double-ring ceremony. The bride's parents, Mr. and Mrs. Harold Stewart, 2201 Lynch avenue, gave a reception afterward at the church. Candles in branched candelabra lighted the sanctuary and the altar decorated with baskets of white gladioli and pom poms. White satin bows marked the family pews.

A program of wedding music was furnished by Charles Freeman, soloist, accompanied at the organ by Mrs. Herbert Hensley. Mr. Freeman sang "Wedding Prayer" and "I Love You Truly."

The bride was attended by Miss Nancy Bischoff, maid of honor, and Miss Carol Bischoff and Miss Judy Szucs, the latter a cousin of the bridegroom, bridesmaids.

White peau de soie was used to fashion the bridal gown. Chantilly lace covered the fitted bodice of taffeta and long sleeves came to points over the hands. Six large unpressed box pleats at the waist shaped the wide floating skirt extended with a hoop and ermine and a large bow was placed at the back of the waist. Re-embroidered lace medallions encircled with pearls and sequins trimmed the skirt which terminated in a train. A short veil of silk illusion was secured to a coronet of pearls tipped with tear drops and the bridal bouquet was a cascade

**Mrs. Lorine Glenn, 62, Dies Early Sunday**

Mrs. Lorine Johanna Glenn, 62, of Rural Route One, Edwardsville, who was stricken late Saturday night at her home near Sunset Hill, was dead on arrival about 12:05 a.m. Sunday at St. Elizabeth Hospital.

Mrs. Glenn, who had been under a doctor's care for a heart ailment for 10 years, was being rushed to the hospital by her husband, Daniel, a ladleman at American Steel Foundries, who stopped enroute to summon an ambulance with oxygen.

Mrs. Glenn, a native of Belleville, lived in this area about 33 years and was a resident of Granite City before the family moved to Sunset Hill.

Other survivors include four sons, Earl T. of Granite City, a salesman for Elledge Motor Co., Donald L. of Edwardsville, Robert C. of Santa Monica, Calif., and Harold L., serving aboard the aircraft carrier USS Essex; a daughter, Mrs. Arvel (LaNell) Lessee of Granite City, a teacher at Coolidge Junior high school; two sisters, Mrs. Edmond (Augusta) Schickel and Mrs. Edna (Edna) Wiechert, both of Belleville, a brother, Alfred Kunze of Belleville, and seven grandchildren.

Funeral services are given in today's obituary column.

The easiest way to remove fat from soup stock and gravy is to chill the broth or sauce; the fat rises to the top and hardens and may be lifted off in pieces.

**Mrs. Blanche Onkle, Madison, Dies Today**

Mrs. Blanche E. Onkle, 64, of 2007 Harris street, Madison, died at 10 a.m. today at her home, where she was under medical care.

Born in Stratton, Neb., Mrs. Onkle had been a resident of Madison for 38 years. She belonged to the Madison, Methodist Church.

Surviving are her husband, John R. Onkle; a son, Robert Dale Onkle, Madison; two daughters, Mrs. Arthur (Doris) Schertzer of Scott Air Force Base, and Miss Betty Jean Onkle of Madison; three brothers, Carson Emery of Minnesota, Wesley Emery of Nebraska, and Jake Emery of Colorado; two sisters, Mrs. Vera Altig of Denver and Mrs. Dollie Angermier of Stratton, Neb., and seven grandchildren.

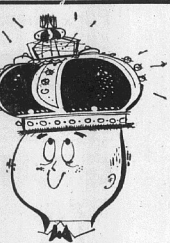

Funeral arrangements are given in the obituary column.

### DOUBLE SURPRISE PARTY AT BLANKENSHIP HOME

A double surprise party took place at the Blenkinship home, 2208 Clark avenue, Wednesday evening. One was a surprise for Miss Theresa Blankenship and the other honored her Girl Scout leader, Mrs. Wilma Hancock of Troop 19.

Miss Blankenship is graduating from Granite City high school, and Mrs. Hancock observed her birthday.

Miss Blankenship was awarded the first certificate of honor and commendation by the newly formed River Bluff Girl Scout Council. As she went into the Blankenship residence on an errand for her mother, she was surprised by the scouts, who told her that anything new that would see in the room was hers.

Mrs. Hancock was presented with gifts and songs were sung. Later, games were played and the girls danced to records.

Tall white candles were used as the centerpiece of the serving table and a "teenage supper" was served to the honored guests and Miss Linda Treadwell, Gloria Caban, Lavonia Viessman, Mary Goodall, Lavonia Deane, Mary Wolf, Judy Wray, Ann Squires, Phyllis Wray, Mary Reagen, Sharon Hancock, Pat Walker, Kathy Danner and Joan Blankenship.

### MYF HOLDS ELECTION

Mr. and Mrs. Frank Carroll, 2604 Dodge avenue, were hosts to Youth Fellowship officers and committees of Nameoki Methodist Church Saturday evening.

The group discussed plans for the Sunday evening programs, and also made plans for a Valentine party Feb. 17.

The meeting closed with election of officers for the new year: Sue Carroll, president; Ellen Chapman, vice-president; Patty Young, secretary; Jim Rucker, treasurer; and Ellen Boushara and Dick Blumenstock, team captains.

Sponsors are Mr. and Mrs. Carroll and Mr. and Mrs. Stanley Young. The Youngs also were in attendance, along with Rev. and Mrs. LeRoy Pittman and sons, Steven and Mike.

Diane Moss, eight, daughter of Mr. and Mrs. Russell Moss, 2145 Johnson road, returned home from St. Elizabeth Hospital Wednesday. She had been a patient for ten days with a severe infection, but is recuperating satisfactorily. She is a third grade student at Frohardt school.

### ST. ELIZABETH SOCIETY ELECTS MRS. JAKICH

The first meeting of the new year of the St. Elizabeth Altar Society was held at the church Wednesday evening. Mrs. John Jakich was elected president and conducted the meeting. Mrs. Peter Stieb was elected vice-president. Mrs. Al Komadia secretary and Mrs. David Evans, treasurer. Final reports were given by last year's committee chairmen.

The program chairman, Mrs. Ray Uram, introduced the speaker, Mrs. Mildred Smith, speech therapist in the public school system. She spoke on speech problems of children and announced that she will start a small program in speech therapy at St. Elizabeth school on a part-time basis.

Refreshments were served to 15 members. The next meeting will be Feb. 28 at the school.

**FAREWELL PARTY HONORS MRS. CARL STAFFORD**  
Mrs. Carl Stafford, who left here Saturday for Freehold, N. J., to join her husband, was complimented with a neighborhood party Friday evening at the home of Mr. and Mrs. John Haynes, 2145 Johnson road.

The honored guest was presented with many gifts by her friends and neighbors. She had been in New Jersey since the definite length of time, Stafford, an employee of Neale Co., has been in New Jersey since the explosion at the local plant in August.

A late dessert course was served by Mrs. Haynes to Mrs. Stafford, her aunt, Mrs. Sarah Wilson, who will accompany her on the drive to New Jersey, her son-in-law and daughter, Mr. and Mrs. Richard Ambush, Mrs. Richard Frenn, Mrs. Wesley Senoff, Mrs. Wilbur Breeze and Mrs. Lester Thompson.

**SCOUT SKATING PARTY**  
About 150 Girl Scouts of Neighborhood Four enjoyed a skating party Thursday afternoon at a Granite City roller rink. The party was a neighborhood project of the new River Bluff Council.

Trips and leaders participating were Troop 28, Mrs. Doris Votaw, Mrs. Denise Schmitz and Mrs. Betty Roy; Troop 85, Mrs. Jean Beatty, Mrs. Virginia Jenkins and Mrs. Joan Hillings; Troop 125, Mrs. Betty Wallace and Mrs. Julie Barnes; Troop 227, Mrs. Lillian Hoffman and Mrs. Carolyn Metz; Troop 267, Mrs. Joan Oram and Mrs. Ruth Cook; and Troop 120, Mrs. Mary Schwenemann, all of Wilson school; and from Frohardt school, Troop 218, Mrs. Frances Holt, Mrs. Lee Ennis and Mrs. Julia Barton, and Troop 288, Mrs. Lois Haynes and Mrs. Pat Gerkin.

**27th Annual Meeting of the Cub Pack 91 Awards**  
A monthly meeting of Cub Pack 91 of the Nameoki Presbyterian Church was held Friday evening at Nameoki grade school with Willis Shepard, cubmaster, in charge.

Den Five, led by Mrs. Evelyn Cross, gave the opening candle-light ceremony, which was tribute to leaders, den mothers and committee members of the pack. The den also led the pledge of allegiance to the flag. Shepard led several songs, and a playlet was presented by Mrs. Louise Anderson's den, Den One. She was assisted by Mrs. Betty Caldwell, and the month's theme, "knights of yore" was the subject of the play. Mrs. Anderson narrated a tale about King Arthur's roundtable as the Cub Scouts, Steven Anderson, Mark Caldwell, Steven Glasgow, Dennis McDonald, Michael Milton, John and James Rehagen, Paul Scharf and Joyce Willis, portrayed knights. They were dressed in shining foil armor and helmets and carried spears, lances and cross-bows.

Shepard presented awards to Steven Glasgow, Steven Anderson, Steven Pittman, Billy Schermer, Roger Underwood and Bob Wilmzig. Rucker introduced Den 4, Chief Dennis Durbin, an explorer scout, who explained how the Boy Scout program differs from the pack program.

Fred Rehagen was named committee chairman. To Northberg, the safe was held by St. Louis police for photographs, drying and fingerprint tests. It had become moisture-laden while out doors in the early morning hours.

### MORE ABOUT

**Find Safe Here Today**  
(Continued from Page 1)

Thief was discovered at 4:40 a. m. Friday when Louis Norberg, 49, St. Louis, owner and operator, arrived. A loud noise, apparently the opening of the door, was heard in the neighborhood between 2 and 3 o'clock but was not immediately reported to the nearby police station.

The wooden door, which had a panel of heavy glass, was pulled from its wooden frame with such force that the entire lock mechanism was torn loose. A single "bite mark" in the wood indicated that a one-inch-wide door had been used. The door is on the north side of the building near the front, facing the drive-in area.

**Ignite Cash Register**  
Entering the building, the burglars removed the 30-inch-tall, 18x18-inch safe from the northeast corner, immediately behind a display window. Objects in the window apparently prevented passersby from seeing them, police noted. The cash register and other money containers were not disturbed.

The missing \$3000 is entirely in cash and includes \$1, \$5, \$10 and \$20 bills. Nueberg reported. Surrounding police departments were alerted as soon as the loss was discovered, but the burglars apparently already had reached St. Louis.

The safe was found at 10:45 a. m. Friday with the door broken open, lying in the park at 14th and Palm streets, St. Louis. Marked as property of "Ted Cronin Liquor," it was traced to Madison a half hour later.

Prior to release to Norberg, the safe was held by St. Louis police for photographs, drying and fingerprint tests. It had become moisture-laden while out doors in the early morning hours.

I hereby certify the above statement to be true in accordance with the records of this office and in accordance with Chapter 102, Paragraphs 5 to 10, inclusive, of the Act entitled "To Publish Annual Statements."	
THE EAST LEEVE AND SANITARY DISTRICT	
Subscribed and sworn to before me this 23rd day of January, 1962.	
My commission expires December 8, 1964.	
NOTICE OF CLAIM DATE	
Notice is hereby given to all persons that the First Monday in MARCH, 1962 is the Claim Date in the estate of GENERAL BENJAMIN P. PHILIPS, deceased, pending in the Probate Court of Madison County, Illinois, and that claims may be filed against the said estate on or before said date without issuance of summons.	
Dated this 18th day of January, 1962.	
VIRGIL L. PHILIPS, Executor	
Attest: DALE HILT, Probate Clerk, LEUDERS & ROBERTSON, Attorneys (34-1-22-29-2-5)	

### City Sales Taxes At \$207,000 For 10 Months of '61

City sales taxes collected in November on October tax liability netted \$22,831 for Quadt City municipalities, increasing the 1961 revenue for ten months to \$207,533.

Granite City will receive \$18,904 from October sales, increasing its total to \$165,722; Madison's city treasury will get \$278,868, boosting its total to \$32,886; and the city of Venice will receive \$773 for a ten-month figure of \$804.

The \$22,831 October and \$207,533 ten-month amounts compare with \$20,749 and \$218,537 for similar periods in 1960, \$20,786 and \$205,584 in 1959, \$19,282 and \$178,849 in 1958 and \$18,835 and \$183,130 in 1957.

Statewide, October city sales taxes grossed \$1,381,865 on collections from cities and villages, at a rate of one-half per cent of retail sales in municipalities. Included were \$69,619 municipal service taxes from 623 communities.

Granite City collection were reduced by \$205,961, the state's 4% administration charge. Payments made under protest and withheld amounted to \$13,558, and \$7717 was held in escrow. The balance of \$1,147,807 for forwarding was \$494,987.

Cities totaling 1147 have now passed ordinances adopting the municipal retailers' occupation tax, and 682 have adopted the municipal service occupation tax.

### Son Born To Former Patricia Boyle

Announcements have been received of the birth of a son, their first child, to Mr. and Mrs. B. E. Boyle, Jr., of Houston, Texas. The new arrival weighed four pounds, 11 ounces and has been named William Robert.

Patricia Boyle, a daughter of Mr. and Mrs. Charles Boyle, 217 Adams street, was born and recovered in a short time.

But the professional car thief poses a new ending challenge to the State Police. There is a man assigned to the work in each of the 15 State Police districts. The majority are taken either by the "joy-riding" or a person seeking a means of quick transportation.

### NOTICE OF CLAIM DATE

Notice is hereby given to all persons that the First Monday in MARCH, 1962 is the Claim Date in the estate of DONALD J. MADISON, deceased, pending in the Probate Court of Madison County, Illinois, and that claims may be filed against the said estate on or before said date without issuance of summons.

Dated this 19th day of January, 1962.

VERGIE M. SPAULDING, GEORGE E. STEARNS, Executrix & Executor.

### State Capitol NEWS

Dollar value of 1961 Illinois agriculture crops was up 9% in 1961, according to a report from the Illinois Cooperative Crop Reporting Service.

Seasonal average prices were higher this past year for most crops, for example: corn was up seven cents, soybeans up 12 cents, and wheat up six cents a bushel.

Illinois 1961 crops, which included fruits, seeds and vegetables, were valued in excess of \$1.3 billion. All major crops made record or near record yields. A record corn yield of 77 bushels an acre was set in the state in 1961, exceeding by 69 bushels the previous high of 69 bushels an acre in 1958. Soybean production showed an increase in Illinois during 1961. The average yield of 28.5 bushels an acre was 2.5 bushels above the last year and equaled the previous high set in 1956.

Wheat production was up sharply, 15.8 million bushels more than in 1960, for a total of 61 million bushels. Oat yields per acre in 1961 equaled the previous high of 56 bushels set in 1955. Hay production of 4.2 million tons was up 10% over the 1960 crop and 12% below average. The estimated 1962 winter wheat acreage is down 9% from last year, and 5% below the 1960 crop.

Auto thefts reported to the Illinois State Police increased nearly 12% during 1961, according to an activity report of the Vehicle Investigation Section. Last year there were 5198 stolen vehicles valued at \$6,207,857, reported to the State Police. These figures do not include thefts in the city of Chicago.

Of vehicles stolen in Illinois, the majority are taken either by the "joy-riding" or a person seeking a means of quick transportation.

Illinois residents over the age of 16 years may obtain their 1962 fishing license after Feb. 1, through their local county, city or village clerk, the Illinois Department of Conservation has announced. The 1961 over-65 fishing license will be valid until Jan. 31, 1962.

Commitments of juvenile offenders to the Illinois Youth Commission in 1961 were nearly 200 below the 1960 total. It was reported last week.

With 10 days still to be accounted for, the total commitment figure for the year was 1735, compared with 1954 in 1960. The county and juvenile courts of the state assigned 1432 boys and 271 girls to the commission's custody, all on petitions of delinquency. In addition, 32 boys were sent to the commission on felony charges by circuit courts. The average age of all boys and girls under the Youth Commission's jurisdiction is 16.6, and 80% of the youth committed to the state agency are in the 14-16 year age bracket.

Success in preventing the spread of infestation of soybean cyst nematode in Illinois was the strict vigilance of the Division of Plant Industry.

According to a report by the Illinois Racing Board, the total bets during 301 days of thoroughbred racing last year amounted to \$225,774,320, an increase of 6.31% or \$17,385,904 over the preceding year's \$212,378,616. Receipts from 17 days of the racing season were turned over to charity.

### Communism Display At Public Library

Currently on display at the Granite City public library is a group of books on Communism with reading designed for all levels. Mary Knufinke, librarian, announced today.

The display was arranged to coincide with the Tri-Cities Chamber of Commerce pilot course on "Freedom vs. Communism" now being conducted. Mrs. Knufinke said, and will be at the library for two weeks.

A selection of works tagged as the "Outstanding Books of 1961" has been named at the library. Including books on history, modern dramas, adventure stories, biographies, light comedy and others.

All those titles selected are available for circulation from the library. Mrs. Knufinke said, and are listed in a brochure on hand at the library.

The large vessel departed her home port at San Diego, Calif., last November and is scheduled to visit Hong Kong, the Philippines Islands and Hong Kong before returning to the states.

### Pvt. Besserman Assigned To Armored Division

Army Pvt. John S. Besserman, Jr., whose father died at 94 Venice, Illinois, recently was assigned to the 1st Armored Division at Fort Hood, Texas.

John Besserman, son of Mrs. Lorraine Greenwalt, Gillespie, entered the Army in August 1961 and completed basic training at Fort Knott, Kentucky.

The 19-year-old soldier attended Madison High school.

Division of Plant Industry was reported by the Illinois Department of Agriculture.

The soybean cyst nematode is a minute pest that attaches itself to and eats the soybean plant roots, thus causing a serious reduction, and sometimes a total loss, of yield.

This particular type of infestation could be responsible for thousands of dollars loss to Illinois farmers each year and steps have been taken by the Division to place suspect fields under quarantine and prevent the spread of this destructive pest.

Soybeans are Illinois' second greatest crop and soil sampling, testing and control work will be continued with renewed vigor in order to protect Illinois farmers from this threat to bean productivity according to William T. Larkin, superintendent of the Division of Plant Industry.

### ADC For Unemployed Due To Strike Ruling

Children whose parents are unable to support them because of unemployment due to labor strikes are eligible for state aid to Dependent Children, according to a ruling handed down at Springfield by Atty. Gen. William G. Clark.

Clark's opinion said "unemployment" may be defined for purposes of administering the state aid to Dependent Children program and also to take such action for receipt of federal funds under the program.

In other recent rulings, the attorney general says a municipality has power to exercise its zoning power in unincorporated limits only when there is no county zoning ordinance in effect.

"It would appear to be the apparent intent of the legislature that a municipality may not assert its zoning powers within the one and one-half mile area beyond the corporate limits in a case where such territory is under the jurisdiction of a county ordinance," Clark's opinion said.

Clark also ruled a county supervisor or commissioner cannot serve as a county civil defense director, and that no primary election can be held when a ballot is to carry only one candidate for each political party for nomination for an office to which no other offices are to be voted upon.

# 342 Attend Annual GAA Awards Banquet

Granite City school's Girls Athletic Association held its annual mother-daughter awards banquet at the GCHS cafeteria Thursday night.

Present were 342 members of the Prather and Coolidge ninth grade GAA's, the senior high school GAA and their mothers. The group represented those who were active in the girls' sports program for grades 9-12.

Senior High School GAA President Ruth Johnson gave the welcoming address, and Vice President Carol Watts was the toastmistress. Addresses also were given by freshmen Judy Durbin, Nancy Edwards, Donna Evans, Maryann Fichte, Sue Fogle, Christy Heinz, Linda Jungels, Margaret Jones, Patty Kawula, Judy Kerch, Pauline Kubelka, Barbara Lous, Barbara Martin, Joyce Mason, Linda McTearney, Geraldine Meyer, Francis Carla Miller, Sandra Neovills, Cindy Parker, Sandra Pence, Barbara Pyle, Doris Ray, Jill Rayburn, Carol Robinson, Dolores Ruder, Vickie Scarborough, Earlene Schuler, Pat Skubish, Charlotte Stajduke, Jan, Janis Stone, Beverly Widell, Beverly Williams and Cynthia Worthen.

**Participation Awards**  
Miss Barbara Kerch, coordinator of girls' programs, named the following GAA participation awards:

Fourth year state awards—Nancy Dunscomb, Ruth Johnson, Joanne Prewett, Carol Watts and Dimple Ingram.

Third year state awards—Sally Baumberger, Charlotte Crippen, Sandra Finkle, Sandra Lazenby, Linda McColligan, Gloria Ray, Ann Rich, Martha Spangler, Janet Gallauer and Jean Hinson.

Second year awards—Carol Bradish, Mickey Hoy, Terry Labory, Sharon Love, Nancy Rehms, Carolyn Staring, Debbie Wesley, Cyndie Hackney, Judy Pashoff, Margaret Grams, Carolyn Hines, Carol Luer, Linda Gallauer, Margie Gallauer, Gerry Hampton, Judy Schaefer, Sue Lucas, Sue Flowers and Joan Greenlee.

First year awards—Loyce Greenlee, Cheryl Orabod, Carol Pieper, Judy Grant, Pat Cerutti and Dorcas Piekemeyer.

**Intramural Winners**  
Intramural fall sports program winners were announced and awards presented to archery—Nancy Dunscomb, Charlotte Spangler and Eula Mullen; badminton—Sharon Chapman (singles) and Connie Smith and Loyce Greenlee (doubles); speed tennis—Nancy Sherman (singles) and Cyndie Hackney and Jean Hinson (doubles); speed away—senior class champions Dimple Ingram, Carol Watts, Joanne Prewett, Ruth Johnson, Sharon Chapman, Karen McKinney, Martha Spangler, Jean Hinson and Eula Mullen.

One-year manager awards were given to Nancy Dunscomb, Eula Mullen and Barbara Kelly. Following the awards presentation the group adjourned to the auditorium where the Modern Dance and Tap clubs presented special skits. The Coolidge GAA's skits were entitled "GAA Members" and "Senior

Tea." Prather's selections were "Class Problems" and "Gops, Parson U."

**Candlelight Ceremonies**  
The program concluded with the lighting of 97 new members in a candlelight ceremony. Each newly-initiated member received a pin and a gold and silver GAA pin.

Coolidge ninth grade initiates were: Frances Alessandrini, Carolyn Bertacchi, Barbara Bonocino, Bobby Joe Braden, Karen Calvert, Diane Cavins, Sharon Clark, Judy Clatts, Carol Cole, Lynn Craddock, Cynthia Crews, Cynthia Davison, Karen Durbin, Nancy Edwards, Donna Evans, Maryann Fichte, Sue Fogle, Christy Heinz, Linda Jungels, Margaret Jones, Patty Kawula, Judy Kerch, Pauline Kubelka, Barbara Lous, Barbara Martin, Joyce Mason, Linda McTearney, Geraldine Meyer, Francis Carla Miller, Sandra Neovills, Cindy Parker, Sandra Pence, Barbara Pyle, Doris Ray, Jill Rayburn, Carol Robinson, Dolores Ruder, Vickie Scarborough, Earlene Schuler, Pat Skubish, Charlotte Stajduke, Jan, Janis Stone, Beverly Widell, Beverly Williams and Cynthia Worthen.

COMPLETED EXHIBITS, ready for entry in local science fair, stand in science room at Central school, where fair judging will be conducted on Feb. 26. Winning exhibits will advance to greater St. Louis science fair on April 5. Exhibiting science hardware, some of it their own, are (left to right) Kathi Deutschman, 14, a Central eighth grader; Raymond Heath and Russ McGovern, both 12, and both seventh graders at Central. Exhibits displayed in foreground include chemical compounds, eclipses of the moon, solar system, insects, the skeletal system and the electric lamp.

## Science Fair Open To 7th And 8th Graders

Seventh and eighth grade students from Granite City grade and junior high schools may construct and enter exhibits in an annual science fair which will be held Feb. 26 at the Central grade school here.

The fair will be entered in the 15th annual Greater St. Louis Science Fair, conducted by the science teachers' committee of greater St. Louis schools and held at the Washington University field house April 5 through 13.

Students at Central school, whose work make up a major portion of the local exhibits last year, are already at work on more than 100 entries in the fields of conservation, chemistry, engineering, physiology, biology, physics and mathematics. Judges for the local fair have been selected. They are Dr. Ronald E. Pyle, Ph.D., of Harold Karandjoff, president of the American National Bank; and A. J. Mueller, Jr., retired Granite City Steel Co. employee.

To be accepted for local judging, which will be held in the Central school gymnasium between 3:30 and 5 p.m. Monday, Feb. 26, the entries must meet certain size specifications. They must be 16 inches wide, 12 inches deep and be less than 40 inches tall. All exhibits must be supplied with their own bases. Ribbons will be awarded to the top prize winners in each field of physical science.

To qualify for exhibition at the St. Louis science fair, seventh and eighth grade exhibits must be entered in the "pre-fair" judging to be held at Washington University on April 5 through 8.

**READY FOR SCHOOL** today for the first time since the fall of 1961, Nancy Reutzel, daughter of Mr. and Mrs. Harold Reutzel of 1617 Pontoon road, is one of many Quad-Cityans helped by the March of Dimes. Shown here with her dog, Topsy, Nancy was a victim of polio at age two. She has undergone major surgery twice in the last two years, and was in full body brace for a year until last Christmas. She started back to school as a fifth grader at Nemecki school. Her medical bills, amounting to thousands of dollars, were paid by the National Foundation.

## Quad-Cityans To Benefit From New March Of Dimes

A little Granite City girl who is afflicted with a crippling birth defect will share in the proceeds from the 1962 March of Dimes, becoming the first in the Quad-Cities area to benefit under the National Foundation's expanded program.

Because of the success of the Salk and Sabin vaccines in combatting polio, March of Dimes funds are now being diverted toward conquest of other crippling — birth defects and arthritis, according to Mrs. Nina Bigley, Quad-Cities campaign chairman.

Funds collected for the March of Dimes are not all spent in other parts of the nation, Mrs. Bigley pointed out.

Since 1959, more than 50 polio victims in the Quad-Cities have received financial aid from the National Foundation through March of Dimes support.

While a few have received amounts as low as \$100, others have had as much as \$5000 in assistance. Average figure was approximately \$1425.

Typical cases are as follows: an 11-year-old Granite City girl has been given \$5000 in March of Dimes aid since 1959. During the same period, \$3100 in aid has gone to a 26-year-old Granite City man. A Madison boy, 9, got help to the extent of \$100, and a Venice girl, 15, got \$500 in aid.

**List Local Recipients**  
A partial listing of those in Granite City, Madison, Venice, and Mitchell who have been helped through the fund was furnished by Mrs. Betty Ragus of Wood River, who is in charge of National Foundation disbursements for this area.

On the list are 31 Granite Cityans, eight residents of Madison, six from Venice, and one from Mitchell. Recipients listed range in age from three to 46, although ages for a few are not given.

The age group most frequently listed is 9 to 12, which accounts for 14 of those named. Ten and 11 are the predominant ages. Those 13 to 17 account for another 11, while four are between the ages of 20 and 30. Three are over 30, and seven are under 10 years of age. One 18-year-old is listed, and ages are not given for six others.

Developing an effective polio vaccine was the first goal of the National Foundation, Mrs. Bigley said, a goal which was reached in less than 20 years. But while this work was in progress, polio victims needed high quality medical care and other assistance.

**Expansion Logical**  
"With the battle against polio hopefully nearing an end," Mrs. Bigley said, "it was a logical step to expand the program from polio to include birth defects and arthritis."

She said birth defects, a field which has received little attention until recently, account for significant abnormalities in one of every 16 babies born. Arthritis, meanwhile, cripples nearly a third of a million Americans to severely they cannot work or function normally.

As in the past, Mrs. Bigley said, March of Dimes funds will provide needed help for victims of crippling polio in the Quad-Cities. But now assistance will be expanded to include those in the two new categories.

The help already being given to a little Granite City girl marks a new period for those tormented by the crippling effects of birth defects and arthritis. The New March of Dimes will be their provider.

**Mishap Reported Saturday**  
An auto-truck collision occurring in the 2400 block of Delmar avenue a week ago was reported to police Saturday morning. Involved were a southbound pickup truck driven by Elmer Reinhardt, 54, of 2805 Washington avenue, and a northbound auto operated by Robert Kellogg, 45, of 2813 Maryville road.

## Local Council To Honor Past Grand Knights

Knights of Columbus Tri-City Council 1088 will honor past grand knights here on Thursday, Feb. 22, during a dinner meeting at the K. of C. home. It was announced Thursday night at a meeting of third degree members of the Catholic laymen's organization.

The members also made plans for a first degree initiation on March 8, and a Sunday communion breakfast later that same month. Two teams from the local council will compete in the Madison county K. of C. Bowling tournament at Bethalto on Feb. 25.

A county-wide May Day parade will be held in Granite City this spring, and general chairman of the event, Joseph DeRuntz, reported on plans being made for that affair. Refreshments were served to 32 members.

## Two Children Treated At Hospital For Injuries

Two youngsters were among those receiving emergency treatment at St. Elizabeth Hospital for minor injuries Thursday. Both were released after treatment.

Francis Shane, two, of 1429 Norwood drive, was treated at 6:30 p.m. for a laceration to the lower lip received when she fell on the floor. She had two sutures.

Danny Stanberger, five, of 3010 Marshall avenue, received treatment for an injured middle finger which was caught in a car door.

## Home Bureau Members Meet To Change Name

Five delegates and other members of the Madison County Home Bureau will depart tomorrow for Urbana's annual Illinois Home Bureau Federation meeting which is to be held Wednesday and Thursday on the University of Illinois campus.

Taking top priority on the conference's agenda is the changing of the organization's name. About 750 women from all over the state will be present as delegates vote on one of two choices — Illinois Homemakers Extension Federation or the Illinois Home Extension Federation.

Whichever name is selected, the local county organization will automatically adopt it in association. For example, the local group might become known as the Madison County Home Extension Association.

Madison county's five delegates are Mrs. Clyde Leisue of Highland, county president; Mrs. E. L. Mense of East Alton, vice-president; Mrs. Genevieve Hill of Granite City, secretary; Mrs. Fred Andrews sr. of Edwardsville, treasurer; and Mrs. Homer Graves of Godfrey, who is the county's IHBF representative.

**Largest Representation**

The largest group present at the last two annual meetings of the IHBF in Urbana has been from Madison county. Enthusiasm is running high among local members and county officials are hoping to make it, "three years in a row."

Membership in the Home Bureau requires that a woman merely be a homemaker. She does not have to be married as examples of mothers and daughters working together in the organization have been noted.

## Granite City PRESS-RECORD

Page 24 Mon., Jan. 29, 1962

Mrs. Shirley Schilling, who is the present Tri chairman, reports that the unit has 25 active members.

Granite City's unit, which was organized in February 1941, is now the largest unit in the county with 22 members. Mrs. Wilbur Bischoff was the first Granite City chairman and Mrs. Hill is the present leader.

**Evening Meetings**

The Isabel Bevier unit was formed in March 1943 with its first chairman being Mrs. Berneise Foote. Described as an evening unit because of its meeting time, the group numbers 32. It is named in memory of the founder of the Home Economics department at the University of Illinois. Mrs. Irene Dawes is the current chairman.

Mrs. Dawes is also director of home furnishings for the county extension clinic.

Every unit operates separately. Dues are \$5 a year and it has never changed since 1936. Money is raised by conducting rummage, candy or bake sales.

The three local units sponsor the four 4-H clubs in the Quad-Cities.

The only additional expense of belonging to one of the local units would be their "Pennies for Friendship" fund which helps maintain the ACWV office in London, Illinois has been the greatest contributor for the past three years. Every unit has its own way of giving.

**Agas Kept Secret**

The Granite City group members give a penny for each year of age. The member donates at her birthday month meeting. "Some like to make their donations a secret," says Mrs. Hill, pointing out that there are no records kept in her unit.

"When asked the advantages of belonging to the Home Bureau," Mrs. Hill replied, "The home should be the center of every woman's interest but not the circumference. Home Bureau keeps us up to date with the newest methods. It provides an opportunity for self improvement and to continue self and family education."

Hill said the majority of the Home Bureau members are city residents but rural members are always welcomed. "Women join for the security of be-

ing well-informed," added Mrs. Hill. "We don't know all the pros and cons so we consult experts on the university staff."

At a typical monthly unit meeting, a major lesson and recreation and refreshments follow. Two members are appointed each month to prepare the next major lesson. They go to the home advisors office in Edwardsville where a U. of I. staff member instructs them on the subject.

Mrs. Elaine Wendler, the county's home advisor, also visits each unit three or four times a year. She gives the major lesson, "Selection of Today's Fabrics," at the Granite City unit's January meeting.

The minor lesson is usually coherent with the major presentation. Asked if Home Bureau work interferes with other work, Mrs. Hill said, "Our husbands are very happy because our unit lessons are designed to make a dollar go as far as it can." In closing, she recalled a shopping guide presentation which pointed out that the husbands should never be sent to the grocery store and the women should never go when they're hungry.

KNIGHTHOOD THEME AT CUB PACK SIX MEETING

Cub Pack Six, sponsored by the Concordia Lutheran Ladies Aid, held a monthly pack meeting Friday night. The flag was presented, and the pledge was given. Theme of the evening was "Knights of Yore," and all the cub scouts were dressed as knights.

Den One recited a poem, "Knights of Prune Creek," and old stories about the coat of armor worn by knights. Den Two told stories of King Arthur, and Den Three read about King Arthur.

Cubmaster Branch gave awards to Dennis Harper and Mark Fuller. Ed Weber, instructor.
